Boruto is serialized in *Weekly Shonen Jump*, but is a special case, appearing only once a month. A weekly series is usually 19 pages per chapter, so monthly would be four times that, or about 76 pages. However, *Boruto* is 45 to 47 pages, only 60 percent of that.

Still, it takes me about a week to produce the thumbnails, about 20 days to draw the final pages and then the rest of the time is spent on coloring and other tasks... So I end up using pretty much a whole month.

It's not something I asked for, and I have no idea whose decision it was, but I sure am glad *Boruto* is a monthly...

This era that we live in experiences daily change. When I was a kid, each house only had one phone, and it was not cordless. Video game consoles consisted of Famicom (NES), and the world was waging a mysterious "battle" called the Cold War.

Today, the smartphone is commonplace and the internet is as ubiquitous as air. However, this too will likely become nostalgic history quite quickly. *Boruto* and his friends are striving in a world that is similarly evolving. Please enjoy their adventures!

STORY

The Great Ninja War that shook the world and shed much blood is now history. Naruto has become the Seventh Hokage, and the people of Konohagakure Village are enjoying peace. Yet Naruto's son Uzumaki Boruto has a glum life, perhaps due to his father's too-great influence.

Rebelling against Naruto while simultaneously craving his praise, Boruto decides to enter the Chunin Exam along with his teammates Sarada and Mitsuki. In preparation, Boruto becomes the student of Sarada's father and Naruto's former rival, Sasuke, and begins honing his ninjutsu.

However, the exam is more intense than Boruto imagined, and he ends up secretly using a prohibited Scientific Ninja Tool...

And from somewhere beyond their notice, a new threat stealthily approaches... The children of ninja legends are stepping forth onto a new shinobi path!

BORU-FANS!!!

Now, this round's *Boruto* Fan Cluster, abbreviated *Boru-fans!!!*, will be introducing Sand's new generation!! We'll reveal new intel that *Boruto* fans must not miss!!

Graphic novel edition!!

Introducing Boruto's Rivals
Boruto hasn't fought them yet, but the Sand trio are pretty formidable!!

SHINKI

Even among the new generation shouldering the Sand Village's future, his abilities surpass the rest. He skillfully manipulates sand and iron sand, and I'd like him to become a leader who will steer the village.

Rival's Comment

He's pretty good to've defeated me!

I wish he were a bit more handsome though.

Birthday: Unlisted
Favorite food: Gizzards, stewed offal
Food dislikes: Natto
Hobbies: Gardening, embroidery

ARAYA

Wondering about that mask? Well, he's actually quite an interesting guy. He hasn't shown his full hand yet.

Birthday: March 13
Favorite food: Marshmallows, gummies
Food dislikes: Doughnuts
Hobbies: Miniatures, model building

Rival's Comment

It's frustrating, but... he beat me soundly. Just you watch, I'll bring it all next time!

Just kidding, that's not my style.
